

In response to your letter dated April 7 regarding the Year End Report please note that the committee has filed an amended report to clarify the transfers from Royce and Fortuno also to show the original partnership check from Mr. Alameel.

You have stated that the aggregate total of contributions from Mica for Congress appears to be higher than the total receipts reported. The NRCC reported two contributions from the Mica committee on the July Monthly Report; \$15,000 and \$10,000 respectively. The \$1,000 reported on the year end report brings the total amount received to \$26,000 as reported.

Please contact me with any questions. Thank you.
